

Learn Together, Grow Together

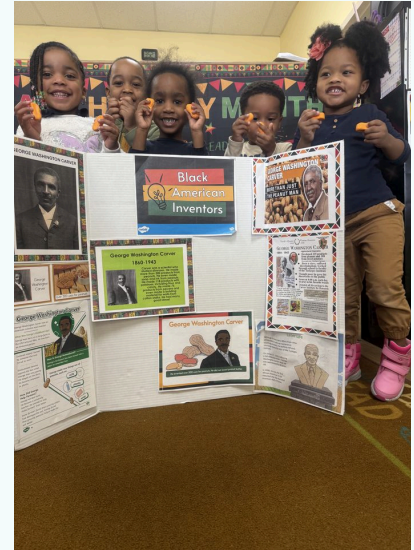

MARCH 2025 NEWSLETTER

February Review

Learn Together, Grow Together is excited to share all the fantastic activities, experiences, and celebrations we were part of this month.

Black History Month: LTGT learned daily about Black History Heroes from the past and present. Several of the activities and learning experiences were posted on our social media page.

Valentine's Day: Valentine's Day was filled with learning about kindness and caring. The students shared candy with their friends and learned more about the kindness promoted by Dr. Martin Luther King Jr.

March Activities

Dr. Seuss Week: LTGT will be starting the month with our Dr. Seuss Spirit Week. Please review the Spirit Week flyer, as we have something special planned for the students every day.

Signs of Spring: We are seeing more and more signs of spring around us. We will be discussing new blooms, insects, and weather changes that we are noticing.

St. Patrick's Day: Don't be green with envy— the children of LTGT will be celebrating this holiday with shamrock shakes and more green-themed activities.

All About the Food Groups: Learning about the food groups will cover many aspects of our food, including farming, seeded plants, milk to butter, corn to popcorn, and much more.

What's Happening at LTGT

Weekly Spanish Lessons: LTGT has been rolling out weekly Spanish lessons at several sites for children ages 2 and up.

Music Classes: If you hear more music and instrumentals at home, that's LTGT's music classes in action.

Pre-School Homework Packets: Pre-school weekly homework packets serve as refreshers of the lessons the children have learned throughout the week. This practice also supports the retention of information over time.

Summer Camp Registration: LTGT's summer camp preparation is in full motion. Families interested in enrolling their child and reserving their space should note that the deadline for the non-refundable deposit is April 11th.
